## Call for Papers: Open Issue

*Aspasia: The International Yearbook of Central, Eastern, and Southeastern European Women's and Gender History* seeks articles that explore the history of women and gender in Central, Eastern, and Southeastern Europe (CESEE). We welcome submissions on any topic in the field of women's and gender history in CESEE.

We are especially interested in research that examines the ways in which gender intersects with other categories of social organization and advances work that explores transnational aspects of women's and gender histories within, to, and from CESEE.
